MAPLE LEAF TRUST

ANNUAL REVIEW

JUNE 2011

This has been another wonderful year for the Maple Leaf Trust. We truly thank all our corporate and individual supporters. We must also extend a sincere thank you to our many volunteers who have been very generous with their time and energy.

The Board has been enriched with the addition of several new Trustees who have brought valued expertise and skills to the Trust. We were thrilled to welcome new faces to our dynamic volunteer committees who helped to make each MLT event special and profitable for the MLT. We thank them especially for planning the MLT Dinner Dance in March 2011, which was a wonderful evening and fundraising success for the Trust.
